Sir,

Subject:-

Making the Toll Establishment of Seringapatam Municipality permanent.

I have the honor to state that as per G.O.No.L.7474-5/Ml.17-33-54 dated 17-4-1934, the Toll Establishment of Seringapatam Municipality was sanctioned for the year 1933-34, without obtaining sanction of Government for its continuance, it has been continued up to this day. While the Assistant Comptroller audited the accounts of the Municipality for the year 1938-39 he took objection for the continuance of the establishment without Government sanction Now the President in his report No.H C 152/39 dated 20-10-41 recommends for obtaining Government Order for making the establishment permanent either from 25-12-33 or from 17-4-34.

In these circumstances I recommend for obtaining Government sanction to treat the Toll Establishment of Seringapatam Municipality from 17-4-1934 as permanent.

The proposition statement and a copy of the audit objections are enclosed for kind perusal.

I have the honor to be,
Sir,

Subject.-

Making the toll establishment of Seringapatam Municipality permanent.

With reference to your letter No.L.10827/M1.9-41-37 dated 12th May 42 calling for certain particulars on the above subject, I have the honor to forward herewith a copy of the report received from the President, Seringapatam Municipal Council in the matter and to state as follows -

Owing to meagre finances the full number of hands sanctioned in Govt Order of 1934 was not entertained There are 3 toll-gates and it is reported by the President that the number of peons proposed is quite necessary and that the octroi peons cannot be entrusted with the collection of toll as their sphere of work is different.

As regards the authority on which the establishment was being continued for the last 8 years the President explains that since the Government had sanctioned the establishment in 1934, the same was continued year after year on the understanding that the provision in the budget for that item each year was being sanctioned This explanation is hardly acceptable At this distance of time, it is perhaps difficult to explain why Government sanction was not obtained for the continuance all these years

I therefore request that the omission to

obtain sanction of Government so far may kindly be overlooked and sanction of Government obtained to the proposal of the Municipal Council to treat the establishment as permanent.

I have the honor to be,
